

Online Language & Slang Guide for Parents

A reference guide to common digital language, slang, and online terms parents may encounter

How to Use This Guide

Online language evolves quickly. Many words listed here are **harmless in some contexts and concerning in others**. This guide is intended to support understanding — not to suggest that any single term automatically signals danger.

Patterns of behavior, secrecy, and emotional changes matter more than individual words.

COMMON ONLINE SLANG (GENERAL USE)

- **Bet** — Okay; agreed
- **Cap** — A lie
- **Delulu** — Delusional; often joking
- **High-key** — Obviously; openly
- **Low-key** — Subtle; quietly
- **NPC** — “Non-player character”; someone who follows along without thinking
- **No cap** — Truth; not lying
- **Rizz** — Charm or charisma

- **Skibidi** — Meme-based nonsense word
- **Soft launch** — Posting someone subtly
- **Hard launch** — Posting someone publicly

CODED SEXUAL LANGUAGE (CONTEXT MATTERS)

- **AFK** — Away from keyboard
- **Down bad** — Strong attraction
- **HMU** — Hit me up
- **LB?** — Like back
- **Link?** — Asking for location or connection
- **Send pics? / Snaps?** — Requesting images
- **Thirst trap** — Intentionally suggestive photo
- **99% angel** — Trend sometimes used to imply sexualized innocence

FAITH-COMMUNITY LANGUAGE (CONTEXTUAL)

- **Church hurt** — Pain related to religious experiences
- **PK energy** — Pastor's kid stereotype
- **Saved-ish** — Religious identity with flexibility
- **Youth-group crush** — Romantic interest in religious settings

GAMING-RELATED LANGUAGE

- **Add me on Discord** — Moving communication off a game platform
- **Boosting** — Helping someone rank up
- **Cam?** — Asking for video
- **Carry me?** — Asking for help winning
- **Customs** — Private matches
- **Drop your @** — Asking for social handle
- **Duo?** — Playing together privately
- **Face reveal?** — Asking to see someone
- **On mic?** — Voice chat
- **Party up** — Join a private session

HIDDEN OR SECONDARY ACCOUNTS

- **Alt / Alt acc** — Alternate account
- **Anon IG / Tok** — Anonymous Instagram or TikTok account
- **Burner** — Temporary or anonymous account
- **Cord** — Discord
- **Finsta** — Fake or private Instagram
- **Priv / Private story** — Limited-audience content
- **Rinsta** — Real Instagram
- **Spam** — Secondary account for unfiltered content

LANGUAGE THAT CAN SIGNAL GROOMING OR EMOTIONAL MANIPULATION

These terms may be used innocently or manipulatively. Context and patterns matter.

- “**After dark**” — Late-night or sexualized content
- “**Don’t break the bond**” — Trauma-bonding language
- “**Loyalty test**” — Pressure to prove allegiance
- “**No one gets you like I do**” — Emotional isolation
- “**Private story?**” — Invitation to limited-visibility content
- “**Prove it**” — Escalating pressure
- “**Trust test**” — Psychological manipulation
- “**You’re different**” — Grooming opener
- “**You’re my favorite person (FYP)**” — Emotional dependence

MENTAL HEALTH & SELF-HARM LANGUAGE

These phrases may reflect humor, stress, or serious emotional distress.

- “**0/10 day**” — Very bad day
- “**Bonded through pain**” — Phrase associated with self-harm communities
- **Cutsigns** — Self-harm marking reference
- **KMS / KYS** — “Kill myself / yourself”
- “**I’m done**” — Emotional exhaustion
- “**I’m not okay fr fr**” — Emotional honesty
- “**No one would notice if I disappeared**” — Concerning statement

- **Trauma dump** — Oversharing emotional pain

TERMS ASSOCIATED WITH HARMFUL ONLINE GROUPS

These terms are uncommon in everyday use and may appear in more concerning spaces.

- **Activating** — Encouraging harmful behavior
- **Archive drops** — Hidden shared content
- **OG server** — Older, unmoderated chat space
- **Prove loyalty** — Coercive pressure
- **Task** — Assigned challenge
- **Upper tier / Lower tier** — Ranking systems

DRUG, VAPING & PARTY LANGUAGE

- **Edibles / Gummies** — THC products
- **Perk** — Percocet
- **Puff / Rip** — Vaping
- **Rager** — Party with substances
- **Sneaky link** — Secret meetup
- **Tweak** — Acting erratically
- **Zaza** — Marijuana

A Note to Parents

Seeing a word on this list does not mean something harmful is happening.

Pay attention to:

- Secrecy
- Escalation
- Emotional distress
- Isolation

Curiosity and conversation are more effective than confrontation.
